

**FALCON**

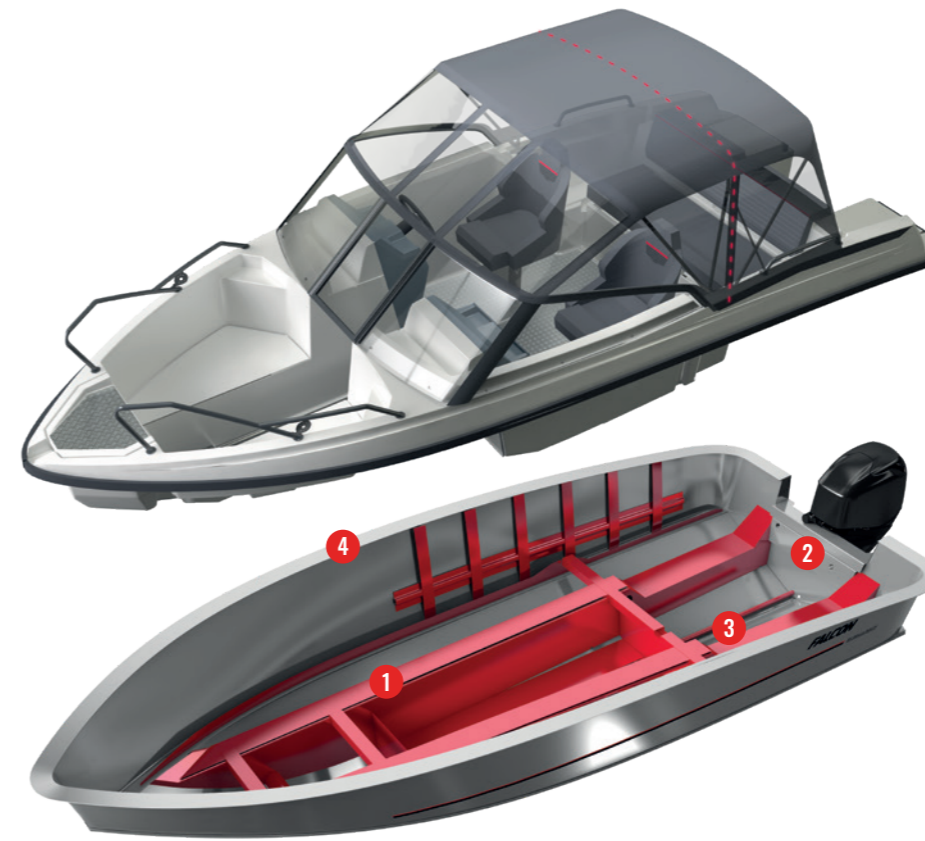

THE BEST OF BOTH WORLDS

# READY FOR EVERY ADVENTURE

**MODELS 2024**

- 1 Massive longitudinal hull beams with rigid cross member structure.
  - 2 Transom plate with double aluminium structure and shimmed bolt holes.
  - 3 Fixed longitudinal fuel tank to minimize tilting.
  - 4 Broad deck and hull contact surface which is glued and riveted.
- Impermeable deck structure with water channels for controlled water extraction.
  - Aluminium reinforced deck. Large surfaces reinforced with Divinycell filler.
  - The hull and deck have been fitted with twopart closed-cell polyurethane foam, vibration damping material and other soundproofing materials. They help minimise hull vibration and filter out noise from the water. The boat is quiet.

## WHY CHOOSE FALCON?

The design of the Falcon aluminium boat combines Finnish aluminium boat expertise with Bella-Veneet Oy's experience in building fiberglass boats, which dates back fifty years. Through countless hours of development, design and testing, we have created a new range that provides the most versatile space solutions in its class, with a streamlined design that is both stylish and practical.

The V-shaped hull with wide bellows and no lifting strakes ensures a soft, steady and quiet ride under all conditions. Finnish boat-building experts have designed and constructed a range that is in a league of its own and is sure to include an ideal boat for all purposes.

**5083 ALUMINIUM**

- Better corrosion resistance
- Better tensile strength

**WIDE BELLOWS IN HULL**

- More stabile ride
- Less splashing
- Low planing threshold and planing speed

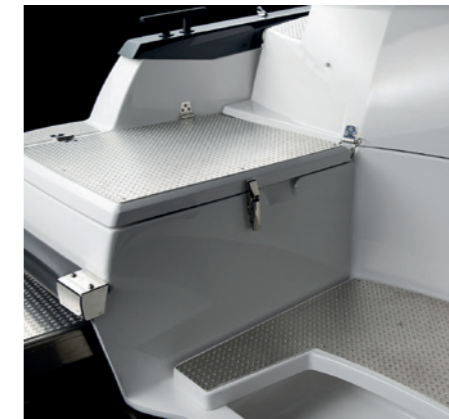

**HULL WITHOUT LIFTING STRAKES**

- Smooth and quiet ride
- Good driveability in rough conditions
- On models BR 6, BR 7, BR 8 and C 7

**CANOPY STORAGE, REMOVABLE**

- All-round use of aft space
- Easy and clear passage

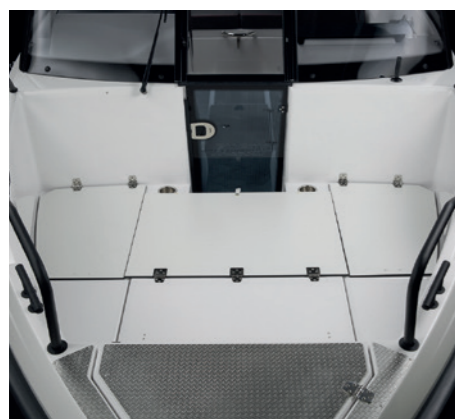

**DECK AND FLOOR SURFACES**

- Durable and carefree aluminium

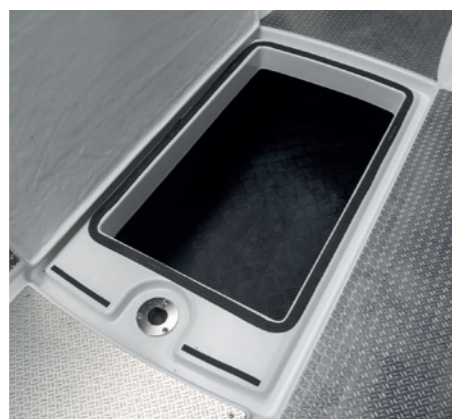

**RAILS AND FITTINGS STAINLESS, ACID PROOF STEEL, IN BLACK**

**INTEGRATED BOW AND AFT PLATFORM**

- Rod fishing
- Sunbed

**VERSATILE STORAGE COMPARTMENTS**

- Smartly designed compartments for small items
- Large storage compartment under deck
- Storage space and 12V power plug for cool box in console

**OFFSHORE SEATS**

- Easy to adjust driving position
- Longitudinal adjustment
- Gas operated height adjustment and suspension

**READINESS FOR ELECTRIC ENGINE, IN BOW**

- Plumbing
- Mounting surfaces
- Accessories

**GOOD ERGONOMICS**

**VERSATILE CANOPY, TWO-PIECE**

# FALCON BRs 4

All the best Falcon features in a compact size.

## ENGINE OPTION

Falcon BRs 4 + Mercury F60 ELPT EFI

## STANDARD EQUIPMENT

- 5083 aluminium hull
- Anchor / rope locker, bow and aft
- Bilge pump, automatic
- Bracket for sonar sensor, welded
- Canopy storage / wide storage space
- Cushions, aft, starboard + port side
- Extra strong keel, incl. keel guard
- Fender holder, 2 pcs
- Fire extinguisher
- Fixed fuel tank, 55 L
- Hooks for trailer fastening, aft and bow
- Mug holder, 2 pcs
- Navigation lights
- Option for chart plotter, max 32 cm x 18 cm
- Rails and fittings stainless, acid proof steel, black
- Readiness for electric engines, bow
- Self-draining cockpit
- SmartCraft multifunction display
- Sound isolated hull and deck
- Speed controller for trolling

- Storage space (lockable) and 12V power plug + USB, passenger's console
- Swim ladder
- USB charging, 1 pc, pilot's console
- Wide bellows in hull, 80 mm
- Windscreen in tempered glass

## TECHNICAL SPECIFICATIONS

Length	4,80 m
Width	1,98 m
Weight	460 kg + engine
Engine power	60 hp L-rig
Capacity	5 persons / 425 kg
CE-class	C
Fuel tank	55 L
Top speed	31 knots
Deadrise in aft	17 degrees
Aluminium thickness:	
• Hull	3,5 mm
• Side	3 mm
• Bracing	3 mm
• Keel	6 mm

## OPTIONAL EQUIPMENT

- Antifouling
- Canopy, two-piece
- Comfort floor (EVA), dark grey
- Cover for harbour use, full length
- Cushions for seat + backrest, middle part of aft bench
- Deck floor and step surfaces in aluminium
- Hull wrap
- Installation set for targa arch, 150 cm, black
- Platform for rod fishing, detachable, bow (NEW!)
- Seat / storage space, bow, port side, incl. cushions + side rail
- Seat / storage space, bow, starboard, incl. cushions + side rail
- Seat cushion, bow, 1 pc
- Sensor bracket
- Simrad NSX 9" + 3-in-1 + sensor bracket
- Water ski pole
- Windscreen wiper, starboard

## TEST REPORT

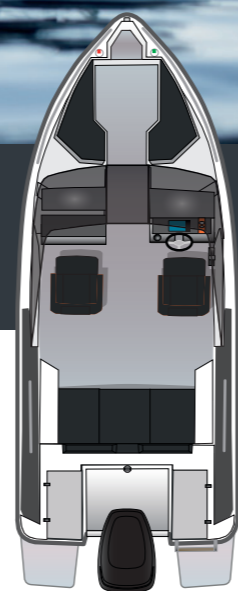

Boat	Falcon BRs 4			
Engine	Mercury 60 L EFI

# FALCON BR 5

Rugged by shape and nature, heart full of passion for drive.

## ENGINE OPTION

Falcon BR5 + Mercury F80 ELPT EFI

## STANDARD EQUIPMENT

- 12V DC power outlets, 2 pcs
- 5083 aluminium hull
- Anchor / rope locker, bow and aft
- Armrest
- Bilge pump, automatic
- Bracket for sonar sensor, welded
- Canopy storage, detachable
- Cushions, aft
- Extra strong keel, incl. keel guard
- Fender basket, 2 pcs
- Fire extinguisher
- Fixed fuel tank, 73 L
- Glove box, lockable, port side
- Hooks for trailer fastening, aft and bow
- Mug holder, 3 pcs
- Navigation lights
- Offshore seats, height / length adjustable, incl. covers
- Option for chart plotter, max 35 cm x 21 cm
- Rails and fittings stainless, acid proof steel, black
- Readiness for electric engines, bow

- Readiness for trim tabs
- Self-draining cockpit
- SmartCraft multifunction display
- Sound isolated hull and deck
- Speed controller for trolling
- Storage compartment (lockable) under deck: 180 cm x 51 cm x 27 cm
- Storage space (lockable) and 12V power plug for cool box, passenger's console
- Swim ladder
- USB charging, 1 pc
- Wide bellows in hull, 80 mm
- Windscreen in tempered glass
- Windscreen wiper, starboard

- Length 5,43 m
- Width 2,05 m
- Weight 630 kg + engine
- Engine power 80 hp L-rig
- Capacity 6 persons / 450 kg
- CE-class C
- Fuel tank 73 L
- Top speed 34 knots
- Deadrise in aft 17 degrees
- Aluminium thickness:
  - Hull 3,5 mm
  - Side 3 mm
  - Bracing 3 mm
  - Keel 6 mm

## OPTIONAL EQUIPMENT

- Antifouling
- Anti-slip carpet for rod fishing platform, aft
- Anti-slip carpet for rod fishing platform, bow
- Bracket for electric engine, bow, black
- Canopy, two-piece
- Cockpit cover for harbour use, aft
- Cockpit cover for harbour use, bow
- Comfort floor (EVA), dark grey
- Cushions, incl. 3 pcs, bow
- Deck floor and step surfaces in aluminium
- Fishing seat
- Hull wrap
- Hydraulic steering, factory installation
- Installation set for electric engine, bow
- Installation set for targa arch, 150 cm, black
- Platform for rod fishing / sun deck, aft
- Platform for rod fishing / sun deck, bow
- Sensor bracket
- Simrad NSX 9" + 3-in-1 + sensor bracket
- Sun bed cushions, aft
- Sunbed cushion, bow
- Table, cockpit
- Water ski pole
- Windscreen wiper, port side

## TEST REPORT

# FALCON BR 6

A handy multipurpose tool for cruises that require firm character – even from you.

## ENGINE OPTION

Falcon BR 6 + Mercury F115 L

## STANDARD EQUIPMENT

- 12V DC power outlets, 2 pcs
- 5083 aluminium hull
- Anchor / rope locker, bow and aft
- Armrest, pilot and co-pilot
- Bilge pump, automatic
- Bracket for sonar sensor, welded
- Canopy storage, detachable
- Cushions, aft
- Extra strong keel, incl. keel guard
- Fender basket, 4 pcs
- Fender holder, 4 pcs
- Fire extinguisher
- Fixed fuel tank, 105 L
- Glove box, lockable, port side
- Hooks for trailer fastening, aft and bow
- Hull without lifting strakes
- Hydraulic steering
- Mug holder, 2 pcs
- Navigation lights
- Offshore seats, height / length adjustable, incl. covers

- Option for chart plotter, max 40 cm x 21 cm
- Platform for rod fishing / sun deck, bow
- Rails and fittings stainless, acid proof steel, black
- Readiness for electric engines, bow
- Readiness for trim tabs
- Self-draining cockpit
- SmartCraft multifunction display
- Sound isolated hull and deck
- Speed controller for trolling
- Storage compartment (lockable) under deck: 170 cm x 50 cm x 27 cm
- Storage space (lockable) and 12V power plug for cool box, passenger's console
- Swim ladder
- USB charging, 2 pcs
- Wide bellows in hull, 80 mm
- Windscreen in tempered glass
- Windscreen wiper, starboard

## TECHNICAL SPECIFICATIONS

# FALCON C 7

Sturdy vessel with opportunities that you don't usually get to enjoy in this size class.

## ENGINE OPTION

- Falcon C 7 + Mercury F115 XL CT
- Falcon C 7 + Mercury F150 XL
- Falcon C 7 + Mercury V6 175 XL DTS

## STANDARD EQUIPMENT

- 12V DC power outlets, 2 pcs (for fishing gear, aft)
- 5083 aluminium hull
- Anchor / rope locker, bow
- Bilge pump, manual and electric
- Bracket for sonar sensor, welded
- Cabin lights
- Carpet floor, cabin
- Cockpit lights (bow + aft)
- Cushions, cabin
- Defroster / blower
- Extra strong keel, incl. keel guard
- Fender basket, 4 pcs
- Fixed fuel tank, 144 L
- Hooks for trailer fastening, aft and bow
- Hull without lifting strakes
- Hydraulic steering
- Mug holder, 2 pcs
- Option for chart plotter, max 37.0 cm x 23.5 cm
- Option for heater (installed ducts + vents)
- Rails and fittings stainless, acid proof steel, black

- Seating in cabin for 6 persons or for 4 in forward direction
- Self-draining cockpit
- Signal horn
- Sliding roof hatch, starboard
- SmartCraft multifunction display
- Sound isolated hull and deck
- Speed controller for trolling
- Swim platform + ladder
- Trim tabs
- Two sleeping berths
- USB charging, 2 pcs
- Wide bellows in hull, 80 mm
- Windscreen wipers, 2 pcs
